SUPPORTERS, YOU HAVE THE KEY

This is not your ordinary key, it doesn't jingle or hang on a chain, but it's powerful nevertheless.

Use it to:
Become a supporter of WSPE.
you will become key to the success of engineers across the state of Wisconsin.
Encourage professional engineers to become members of WSPE.
By doing so, you recognize that they are key to the health, safety and welfare of the public.

Any organization with professional engineering employees has the key, including contractors, educational institutions, government agencies, industries, and private practice consulting engineering firms. At most levels, your sponsorship will be included in all WSPE activities. You will be active as a sponsor for your local chapter and will receive sponsorship material only once a year.
